Date: April 24-26, 2020

Held in: Bangkok, Thailand

2020 11th International Conference on Materials and Manufacturing Technologies

International Conference on Materials and Manufacturing Technologies is a premier, annual forum for researchers and scholars to come together to share knowledge with the common theme of material and manufacturing Technology. This is the 11th event in the series of successful scientific meetings that begun in 2010 in Chongqing (China). This first event was followed by the subsequent meetings organized in Xiamen, China (2011), Chengdu, China (2012), Seoul, Korea (2013), Kuala Lumpur, Malaysia (2014), Bali, Indonesia (2015), Chiang Mai, Thailand (2016), Singapore (2017), and in Moscow, Russia (2018), Kuala Lumpur, Malaysia (2019).

PUBLICATION

Accepted papers will be published in a volume of **Key Engineering Materials**. (ISSN print 1013-9826; ISSN cd 1662 - 9809; ISSN web 1662 - 9795)

Indexing: **SCOPUS**, **Ei Compendex**, SCImago Journal & Country Rank (SJR), Inspec (IET, Institution of Engineering Technology), Chemical Abstracts Service (CAS).

TOPICS

- ✓ Optical/Electronic/Magnetic Materials
- ✓ Surface Engineering/Coatings
- ✓ Mechanical Dynamics and Its Applications
- ✓ Vibration, Noise Analysis and Control
- ✓ Microwave Processing of Materials
- ✓ Materials Physics and Chemistry
- ✓ Mechanical Reliability Theory and Engineering
- ✓ Power and Fluid Machinery
- ✓ Energy Machinery and Equipment
- ✓ Laser Processing Technology
- ✓ Materials Forming, Machining
- ✓ Micro / Nano Materials
